

# DONORS MAKE A DIFFERENCE

Simmons' mission of providing transformative learning that links passion with lifelong purpose is only possible with the support of thousands of donors. Their investment in our community ensures that scholarships, research opportunities, and enrichment programs are available to as many people as possible.

**You can join this community of supporters with a gift to The Simmons Fund.** Every gift, no matter what size, is immediately put to work making sure Simmons is the world-class institution that our students, faculty, and staff have come to expect.

## Making a gift to The Simmons Fund has never been easier!

You can easily set up monthly donations through payroll deduction or a credit card:

- During Open Enrollment, simply elect the Charitable Contribution during Benefit Elections with the amount you would like to contribute every month, and your gift will be made through your paycheck after taxes.
- Add a Charitable Contribution election at any time through the Benefits module on Workday.
- Make a monthly gift online with your credit or debit card at [alumnet.simmons.edu/recurring-gift](https://alumnet.simmons.edu/recurring-gift).

You can also make a one-time gift at [alumnet.simmons.edu/giving](https://alumnet.simmons.edu/giving).

*For more information, contact your friends in the Office of Advancement.*
