

Courses may be offered in different formats. Each course below has one of the following designations:

F2F = currently the course is offered only face to face

OL = currently the course is offered only online

F2F, OL = currently the course is available to be offered in either the face to face or online format.

For the best estimate of when the course might be offered in a particular format, please see the Two-Year Schedule.

Each semester we are converting new courses to the online format so please check the course listings periodically.
