

Voluntary Benefit offering for our employees!

We are pleased to have trained Benefit Counselors assist with this year's enrollment! During the enrollment, each of you are encouraged to attend a quick, private 1-to-1 session with a benefits counselor. In that session, your benefits counselor will answer any questions you may have and offer you simple, straightforward advice as you sort through your choices.

Don't forget

We are asking that each benefit eligible employee meet briefly with a benefits counselor. During these meetings, the benefits counselor will explain how this benefit can help protect you and your family. We would like everyone to make a fully educated decision.
