*Annual Percentage Rate (APR). Loan approval, interest rate and down payment based on creditworthiness, amount financed and ability to repay. Other fees may be assessed, as applicable. Rates, terms and conditions are subject to change. Direct deposit includes automatic funding plans such as payroll deduction, social security income, or automatic payments. If not enrolled in Direct Deposit with your Basic Checking Account, member must retain an average daily balance of at least \$500. If Direct Deposit is removed from the Checking Account, Tremont Credit Union has the right to charge a monthly \$5 fee for the Basic Checking Account. Must be enrolled in Direct Deposit for the life of the loan for discount. If this service is removed, Tremont Credit Union has the right to increase the rate by an equivalent amount of the applicable discount that has been provided.
