The following voluntary benefit will be offered during the enrollment:

Short Term Disability Insurance helps you pay everyday living expenses and out-of-pocket expenses not covered by major medical plans. Provides a monthly benefit to replace a percentage of your income if you are unable to work due to accidental injury, sickness, surgery, or maternity. Now covers psychiatric and psychological conditions! **No Health Questions During this Enrollment!**

Don't forget!

This is also a perfect time to review your existing coverage to be sure you're adequately insured and make adjustments, if needed, with no health questions asked. Your new plan would also provide coverage for psychiatric and psychological conditions.

Complementary benefit provided to you when you speak with a benefit counselor:

FREE WellCard - provides discounts on health and wellness services. Includes access to Teledoc! It can save you money on doctor office visits, prescription drugs and more. Visit www.WellCardSavings.com for more information!

Important features of Colonial Life's coverage:

- Benefits are paid directly to you, unless you specify otherwise, to use as you see fit.
- With most plans, you can continue coverage with no increase in premium when you retire or change jobs.
- Most plans pay benefits regardless of any other insurance you may have with other companies.
- Most plans offer coverage for your spouse and dependent children.

Coverage is subject to policy exclusions and limitations that may affect benefits payable.

See your Colonial Life benefits counselor for complete details.
