If your date of hire is 7/1/1999-6/30/2000, it will be 65% up to 8 weeks and 60% after 8 weeks

- ▶ Deductible sources of income may include benefits from statutory plans and salary continuation.
- ▶ If you meet the definition of disability, your employer will begin paying benefits on the 8th day following a non-occupational injury or the 8th day following a non-occupational sickness. The benefit duration is 25 weeks. You are considered disabled when, because of injury or sickness, you are under the regular care of the doctor, are unable to perform the material and substantial duties of your regular occupation and your disability results in a loss of weekly income of at least 20%.
- ▶ You are not covered for a disability caused by war or any act of war, declared or undeclared, an intentionally self-inflicted injury, active participation in a riot, and commission of a crime for which you have been convicted. Benefits are not payable for any period of incarceration as a result of a conviction.

LONG TERM DISABILITY

- ▶ **Option 1:** Employer paid premium. Any disability benefits will be taxable income.
- ▶ **Option 2:** Your Employer has provided for the cost of your coverage by adding the premium amount to your earnings. As a result, the Long Term Disability plan is considered to be provided to you on a contributory basis with after-tax dollars, and benefits are considered non-taxable.
- ▶ Your monthly Long Term Disability benefit will be 60% of your monthly pre-disability earnings, up to the maximum of \$25,000, less deductible sources of income. The minimum monthly benefit is the greater of \$100 or 10% of your gross monthly benefit.
- ▶ Deductible sources of income may include benefits from statutory plans, Social Security to you and your dependents, workers' compensation, unemployment income and other income.
- ▶ If you meet the definition of disability, your benefits will begin 180 days following an accidental injury or sickness. The benefit duration is up to your normal retirement age under the Social Security Act. However, if you become disabled at or after age 65 benefits are payable according to an age-based schedule. Refer to the Booklet- Certificate for details.
- ▶ You are considered disabled when, because of injury or sickness, you are under the regular care of a doctor, you are unable to perform the material and substantial duties of your regular occupation and your disability results in a loss of income of at least 20%.
- ▶ Disabilities due to mental illness are limited to 24 months of benefits during your lifetime. Examples of mental illness include schizophrenia, depression, manic depressive or bipolar illness, anxiety, somatization, substance related disorders (including drug and alcohol abuse), and/or adjustment disorders. Disabilities due to mental illness have a combined limited pay period during your lifetime.
- ▶ LTD benefits will not be paid for a disability that begins within 12 months of coverage effective date and is due to a pre-existing condition. A pre-existing condition is an injury or sickness for which you received medical treatment, consultation, diagnostic measures, prescribed drugs or medicines, or for which you followed treatment recommendations during the 3 months prior to your effective date of coverage.
- ▶ During the first 24 months of part-time work while disabled, you can receive full benefits as long as your combined income and disability benefits do not exceed your monthly pre-disability earnings.
- ▶ If you die while collecting disability benefits, a lump sum payment may be paid to your eligible survivors.
- ▶ You are not covered for a disability caused by war or any act of war, declared or undeclared, an intentionally self-inflicted injury, active participation in a riot, and commission of a crime for which you have been convicted. Benefits are not payable for any period of incarceration as a result of a conviction.

Implementation of the insurance plan(s) will depend on having a specific percentage of all eligible employees enrolling in the plan(s). If this percentage of enrollment level is not met, these coverage(s) may not be effective.

Benefits, exclusions and provisions may vary by state. Refer to the plan booklet for details.

For your coverage to become effective, you must be actively at work on the effective date of the plan. If you apply for an amount that requires satisfactory evidence of insurability to The Prudential Insurance Company of America, you must be actively at work on the date of approval for the amount requiring satisfactory evidence of insurability.

*Accelerated Death Benefit option is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered "terminally ill" or "chronically ill." You may wish to seek professional tax advice before exercising this option.

This coverage is not health insurance coverage (often referred to as "Major Medical Coverage").

This type of plan is NOT considered "minimum essential coverage" under the Affordable Care Act and therefore does NOT satisfy the individual mandate that you have health insurance coverage.

This policy provides ACCIDENT insurance only. It does NOT provide basic hospital, basic medical or major medical insurance as defined by the New York Department of Financial Services.

IMPORTANT NOTICE - THIS POLICY DOES NOT PROVIDE COVERAGE FOR SICKNESS.

This policy provides disability income insurance only. It does NOT provide basic hospital, basic medical or major medical insurance as defined by the New York Department of Financial Services.

North Carolina residents: THIS IS NOT A MEDICARE SUPPLEMENT PLAN. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare, which is available from the company.

Implementation of the insurance plan(s) will depend on having a specific percentage of all eligible employees enrolling in the plan(s). If this percentage of enrollment level is not met, these coverage(s) may not be effective.

Benefits, exclusions and provisions may vary by state. Refer to the plan booklet for details.

For your coverage to become effective, you must be actively at work on the effective date of the plan. If you apply for an amount that requires satisfactory evidence of insurability to The Prudential Insurance Company of America, you must be actively at work on the date of approval for the amount requiring satisfactory evidence of insurability.

*Accelerated Death Benefit option is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered "terminally ill" or "chronically ill." You may wish to seek professional tax advice before exercising this option.

This coverage is not health insurance coverage (often referred to as "Major Medical Coverage").

This type of plan is NOT considered "minimum essential coverage" under the Affordable Care Act and therefore does NOT satisfy the individual mandate that you have health insurance coverage.

This policy provides ACCIDENT insurance only. It does NOT provide basic hospital, basic medical or major medical insurance as defined by the New York Department of Financial Services.

IMPORTANT NOTICE - THIS POLICY DOES NOT PROVIDE COVERAGE FOR SICKNESS.

Group Insurance coverages are issued by The Prudential Insurance Company of America, a Prudential Financial company, Newark, NJ 07102. The Booklet-Certificate contains all details, including any policy exclusions, limitations, and restrictions, which may apply. Contract Series: 83500
