* If you update your 3D course selections after your Connect 201 course has ended, please complete this form again and have your major ADVISOR approve it instead of your Connect 201 instructor.

3-D REQUIREMENT POLICIES

- 3D courses must be drawn from three different disciplines.
- Each 3D course may fulfill a KCA, quantitative literacy, or language/culture requirement, but Connect 201, CDA 201, or Leadership Course will not be accepted.
- One 3D course may count in each major/minor/program of study.
- One course may be transfer credit; for 64-credit transfer students, up to two courses taken at a previous institution may count towards the 3D.
- Students may take one course in their 3D cluster pass/fail.

Please return this form with all approvals to the Registrar's Office, C-115,
MCB or by email to registrar@simmons.edu.
