WELCOME TO DENTAL BLUE FREEDOM, A DENTAL PLAN DESIGNED TO MANAGE THE COST OF DENTAL SERVICES.

Your Dentist

Dental Blue Freedom offers a large network of dentists, including dentists in Massachusetts and Rhode Island who participate with Blue Cross Blue Shield of Massachusetts. Dental Blue Freedom members also have access to participating dentists nationwide. When searching for a network dentist, Dental Blue Freedom members can choose from the Dental Blue PPO (Preferred Dentist) or Dental Blue (Participating Dentist) networks. Using a network dentist will minimize your out-of-pocket expenses.

If you would like help choosing a dentist, or already have a dentist and want to know if they participate with your plan, you can call the dentist, look at the current dental provider directory, or call Member Service at the toll-free phone number shown on your Dental Blue ID card. You can also access the online dental provider directory at bluecrossma.org.

Your Benefits

You will receive the greatest value if you visit a preferred dentist, because you will maximize the amount of benefits received under your plan.

The dental benefits your plan covers are subject to the calendar-year benefit maximum amounts shown in the chart. The calendar year begins on January 1 and ends on December 31 of each year. The chart also shows the percentage of costs your plan will pay for covered dental services. Many of the covered services have specific time or age limits.

Pre-Treatment Estimates

If your dentist expects that your dental treatment will involve covered services that will cost more than \$250, Blue Cross Blue Shield recommends that your dentist send a copy of the "treatment plan" to Blue Cross Blue Shield before services are provided. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charge for each service. Once the treatment plan is reviewed, you and your dentist will be notified of the benefits available.

Remember, the payment estimate is based on your eligibility status and the amount of your calendar-year benefit maximum at the time the estimate is received and reviewed. (The actual payment may differ if your available calendar-year benefit maximum or eligibility status has changed.)

How Dentists Are Paid – Preferred Dentists

For dentists who have a preferred provider contract with Blue Cross Blue Shield, benefits are calculated based on the provisions of the preferred dentist's payment agreement and the dentist's allowed charge that is in effect at the time the covered dental service is provided. Preferred dentists agree to accept the allowed charge as payment in full. You pay any allowed charges beyond your calendar-year benefit maximum.

How Dentists Are Paid – Participating Dentists

For dentists who participate with Blue Cross Blue Shield, but do not have a Blue Cross Blue Shield preferred provider contract, benefits are calculated at the same benefit level that applies when the same covered dental services are provided by a preferred dentist. These dentists agree to accept the allowed charge as payment in full. You pay any allowed charges beyond your calendar-year benefit maximum.

How Out-of-Network Dentists Are Paid – Non-Preferred or Non-Participating Dentists

Benefits for covered services by a non-preferred or non-participating dentist are provided based on the allowed charge or the dentist's actual charge, whichever is less. The allowed charge is based on a schedule of charges. You may be responsible for any difference between the dentist's actual charge or the allowed charge, whichever is less. You are also responsible for charges beyond your calendar-year benefit maximum.

When Coverage Begins

You are covered, without a waiting period, from the date you enroll in the plan.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your plan description (and riders, if any) for exact coverage details.

Domestic Partner Coverage

Domestic partner coverage may be available for eligible dependents. Contact your plan sponsor for more information.

Accumulated Maximum Rollover Benefits

This dental plan includes an Accumulated Maximum Rollover Benefit. This rollover benefit allows you to roll over a certain dollar amount of your unused annual dental benefits for use in the future. There are limits and restrictions on this benefit. Refer to the Accumulated Dental Maximum Rollover brochure for further information.

Enhanced Dental Benefits

Enhanced Dental Benefits for certain dental care services are available for members who have been diagnosed with qualifying conditions. To learn more about specific conditions included in this benefit, review your plan description (and riders, if any) on MyBlue at bluecrossma.org.

If You Have to File a Claim

Network dentists will send claims directly to Blue Cross Blue Shield. All you have to do is show them your Dental Blue ID card. The payment will be sent directly to your dentist as long as the claims are received within one year of the completed service.

If you receive care from an out-of-network dentist, you will typically need to submit the claim yourself. Before submitting your claim, get an Attending Dentist's Statement form from Member Service.

After your dentist fills out the form, send it and your original itemized bills to Blue Cross Blue Shield of Massachusetts, P. O. Box 986030, Boston, MA 02298. All member-submitted claims must be submitted within two years of the date of service.

If you have a grievance, see your plan description for instructions on how to file a grievance.

Other Information

Coordination of benefits applies to plan members who are covered by another plan for health care expenses. Coordination of benefits ensures that payments from other insurance or health care plans do not exceed the total charges billed for covered services.

Your plan description has a subrogation clause, which means that Blue Cross Blue Shield can recover payments if a member has already been paid for the same claim by a third party.

MASSACHUSETTS

DENTAL BLUE® ACCUMULATED MAXIMUM ROLLOVER

At Blue Cross Blue Shield of Massachusetts, we know that oral health is a critical part of overall health. That’s why we offer a dental benefit that will allow you to roll over a portion of your unused dental benefits from year to year.

HOW MAXIMUM ROLLOVER WORKS

Beginning 60 days after the last day of your benefit period, your rollover amount will be added to your maximum benefit amount, increasing it for you to use that year and beyond (see below for amounts and maximums).

There is no cost to you. You don’t need to do anything. To figure out the amount of benefit dollars that are eligible to roll over, just use the chart below. Start by searching for your benefit period maximum in the first column. If Blue Cross

doesn’t pay out more claims dollars on your behalf than the amount in the second column, your benefit maximum for the next year will increase by the amount in the third column.

And, your rollover amount keeps growing and is available for you to use as long as your employer offers this rollover benefit.* The last column will show you the total amount of additional benefit dollars you can earn. It’s one more way we’re working to improve health care for all our members.

You can accumulate benefit dollars to help offset higher out-of-pocket costs for complex procedures.

This benefit applies to you automatically if:

- You receive at least one service during the benefit period
- You remain a member of the plan throughout the benefit period
- You don’t exceed the claim payment threshold in the benefit period

If your dental plan’s annual maximum benefit amount is:	And if your total claims don’t exceed this amount for the benefit period:*	We’ll roll over this amount for you to use next year and beyond:*	However, rollover totals will be capped at this amount:*
\$500–\$749	\$200	\$150	\$500
\$750–\$999	\$300	\$200	\$500
\$1,000–\$1,249	\$500	\$350	\$1,000
\$1,250–\$1,499	\$600	\$450	\$1,250
\$1,500–\$1,999	\$700	\$500	\$1,250
\$2,000–\$2,499	\$800	\$600	\$1,500
\$2,500–\$2,999	\$900	\$700	\$1,500
\$3,000 or more	\$1,000	\$750	\$1,500

*This is not a flexible spending account (FSA). The amount reflects your benefit maximum for a given year.
