### PLAN Requirements for CompleteDegree@Simmons Students

PLAN (Purpose Leadership Action) is the Simmons undergraduate general education program. Some PLAN requirements can be fulfilled with courses required for this major, as indicated below. Additional PLAN requirements may be fulfilled through electives. PLAN requirements, with the exception of the capstone, are waived for students who have an associate's degree from an accredited institution. We highly recommend that you work closely with your advisor(s) to choose all of your courses.

\*Students must satisfy the math competency requirement during their first semester at Simmons. Students who do not pass the mathematics competency exam by orientation or who do not meet the math competency requirement in one of the other ways described above must take MATH 101 in the first semester it is available.

\*\*We highly encourage all students to take Simmons Connect in their first semester, and we recommend this course for all students, even those who enter with an associate’s degree.

\*\*\*The 3D (Design Across Diverse Disciplines) requirement may be met with one course in your major and two additional courses (which may also satisfy KCA requirements).

\*\*\*\*Students admitted in the May 2021 cohort are required to take two sequential courses in the same language (for example, French 101 and 102).

\*\*\*\*\*KCA requirements may be satisfied by courses in your major, LC courses, and/or 3D courses.
