Prices are generated by HealthTrio and Harvard Pilgrim. They are personalized estimates and may not reflect the actual total price. The estimates are based on the details of your Harvard Pilgrim plan as of today. If there is not enough cost information available for your specific plan, the pricing you see will be based on the experience of a wider range of Harvard Pilgrim plans. In these cases, the amount shown may be less accurate than a cost estimate based on your specific plan. Also, the actual cost may differ if you receive additional services, your coverage changes, or the provider bills the service differently. It's important to note that you should not rely only on this or any other price estimate to make your health care purchasing decisions. Please note that some services may require a referral from your primary care provider or prior authorization before you receive the service. Member cost sharing may apply. Members should refer to their plan documents for specific details regarding their coverage and benefits.
