

Prescription Drug Coverage

SELECT 5 TIER

Covered prescription medications are available at participating pharmacies.

Covered prescription drugs are subject to your plan's Deductible (for Access America and PPO plans, covered prescriptions are subject to the In-Network Deductible). This means that you need to pay the full cost of your medications until you reach the required Deductible amount. The full cost will be the lower of the participating pharmacy's retail price or the price of the medication at Harvard Pilgrim's discount rate. See the *Schedule of Benefits* for your plan's Deductible amount. Once you meet the Deductible for the year, you pay either a Copayment or Coinsurance.

Your plan includes the Preventive Drug Benefit. This means that certain medications that help prevent chronic conditions and illnesses are exempt from the Deductible. However, you are still subject to any applicable Copayment or Coinsurance listed in the table below. Visit www.harvardpilgrim.org/2026Select5T for more information.

Important Notes:

Opioid Antagonists: Prescribed, ordered or dispensed opioid antagonists used in the reversal of overdoses caused by opioids are covered by the Plan. These opioid antagonists do not require Prior Approval or a prescription from a health care provider.

Opioid antagonists are covered with no Member Cost Sharing after the Deductible has been met.

Drugs to Treat Chronic Conditions: Your coverage also includes generic and brand name drugs used to treat each of the following chronic conditions: (i) diabetes; (ii) asthma; (iii) hypertension and iv) chronic ischemic heart disease. As required by law, at least one generic and one brand name drug identified by the Plan to treat these conditions will apply the following Member Cost Sharing:

Generic drugs are covered with no Member Cost Sharing after the Deductible has been met.

Member Cost Sharing for brand name drugs will not exceed \$25 for up to a 30-day supply after the Deductible has been met. (Note: Insulin is the drug used to treat diabetes.)

Your plan has an annual Out-of-Pocket Maximum, which is listed on the Schedule of Benefits. Once you have reached the Out-of-Pocket Maximum (including Deductible, Copayment and Coinsurance amounts), your prescriptions are covered in full for the rest of the year with no other cost sharing required.

Visit www.harvardpilgrim.org/2026Select5T for participating pharmacy locations and mail order details. Be sure to show your Harvard Pilgrim ID card at the pharmacy to ensure you pay the correct cost-sharing amounts.
