

1. You should receive an email from [do-not-reply@libapps.com](mailto:do-not-reply@libapps.com). It should look like this with your [firstname.lastname@simmons.edu](mailto:firstname.lastname@simmons.edu) as your Username and a [Set Now](#) link as your password:

## Simmons College Library and Information Sciences

---

**Welcome to LibGuides at Simmons College Library and Information Sciences**

Hello Lee,

LibGuides system administrator SLIS Tech ([slistech@simmons.edu](mailto:slistech@simmons.edu)) has created an account for you in LibGuides (<https://simmonslibguides.com/>).

**Logging In:**  
Click the URL below, then use the "Login to LibApps" link at the bottom of the page.

<https://simmonslibguides.com/>

Username: XXXXXXXXXX

Password: [Set Now](#)

**Documentation, Training, and Support:**  
[Springshare Support's homepage](#) provides quick access to all of our resources:

- **Help Center:** Search & browse FAQs (specific features/tasks) and Springboards (broader tutorials).
- **SpringyU:** Self-guided learning through videos & related tasks.
- **Training Webinars:** Live & recorded training focused on system use.
- **Submit a Ticket:** Can't find the answer? We can help!
- **Springshare Lounge:** Share ideas & questions with other customers.

**Recommendations for LibGuides:**

- [Best Practices for Starting a LibGuide](#)
- [Basics of Building LibGuides](#)
- [Best Practices for Images](#)

**Account Help:**  
[Change Account Info](#) | [Account Overview](#) | [Login Troubleshooting](#)

Thank you and have fun!  
The Springshare Team

2. Click on the **Password: Set Now** link
3. It should send you to this page:

LibApps Set Password @ Simmons College Library and Information Sciences

Passwords are case-sensitive and must be at least 12 characters long containing at least one number or symbol.

**Password**

**Confirm Pass**

6. Log in. Your **username** will be your [firstname.lastname@simmons.edu](mailto:firstname.lastname@simmons.edu). Your **password** is whatever you just made it:

## LibApps Login @ Simmons College Library and Information Sciences

Login with your LibApps account credentials:

[Log Into LibApps](#)

[Reset Password?](#) | [Login FAQ](#)

What is LibApps? LibApps at Simmons College Library and Information Sciences is a platform powering LibGuides, LibAnswers, LibCal, LibInsight, and other Springshare tools licensed by your institution.

**Browser Support:** Chrome, Firefox, Safari, Edge. Cookies must be enabled.

Copyright 2007-2025 [Springshare, LLC](#). All rights reserved. | [Springshare privacy policy](#).

- You will then be prompted to sign up for MFA (multi-factor authentication). Please select **EMAIL** authentication method. An authenticator will not work.

Multi-Factor Authentication has been activated by your LibApps admins to enhance security when accessing LibApps.

Please select an authentication method below to get started. For detailed instructions, [view our documentation](#).

**Authentication Method**  Authenticator (Recommended)  
 **Email**

- Have an email code sent to you

Multi-Factor Authentication has been activated by your LibApps admins to enhance security when accessing LibApps.

Please select an authentication method below to get started. For detailed instructions, [view our documentation](#).

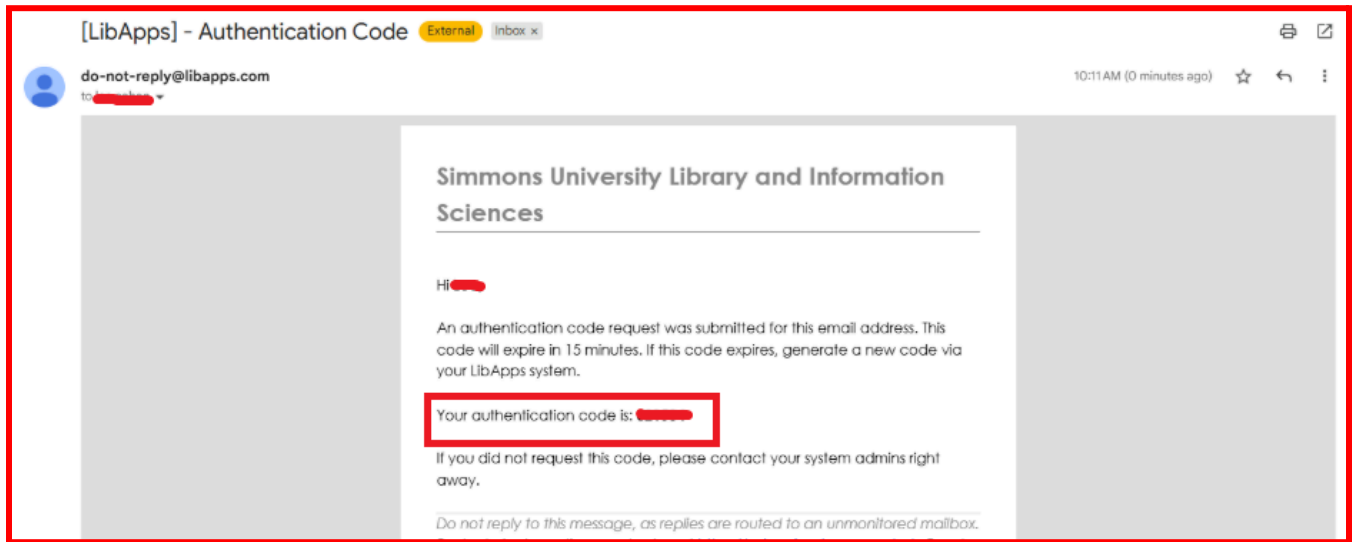

**Authentication Method**  Authenticator (Recommended)  
 Email

To continue setting up MFA via email, click the button below and an authentication code will be sent to **[REDACTED].com**.

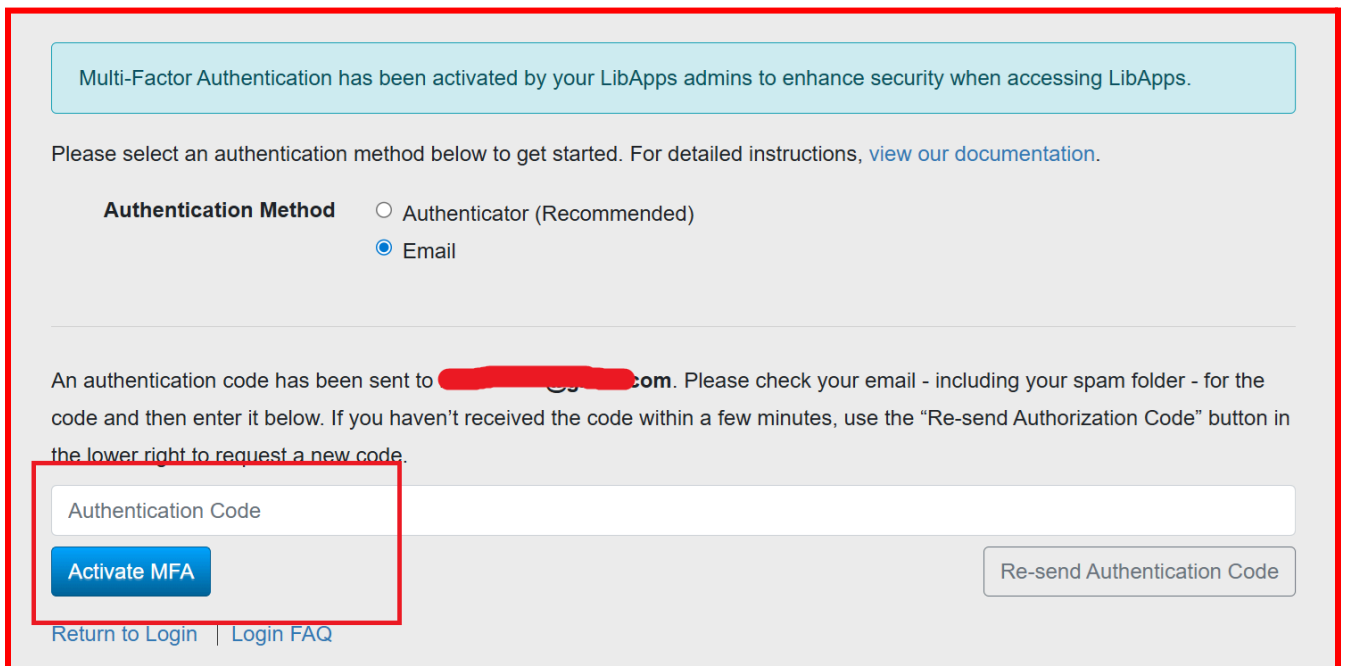

[Email Code](#)

[Return to Login](#) | [Login FAQ](#)

9. Check your email and you should receive a code.

10. Enter the code and select Activate MFA.

11. Follow this link to the LibGuides homepage to start creating your LibGuide:

<https://simmonslis.libapps.com/libguides/>

### LibApps Home

Welcome to your LibApps Dashboard! Access individual systems/apps from the My LibApps box below. Use the menu at the top of the page to customize your account, profile, and other aspects of your LibApps experience.
