**\*Students are required to follow course sequencing in the program plan. Any deviations must be approved by your Academic Advisor.**

Please note that the Accelerated 16-Month MSW program does not apply to specialized MSW programs such as the School Social Work Certificate Program, Trauma Certificate Program, or Health Care Certificate Program, which need to be completed either full-time or part-time in 24, 36 or 48 months.

Please also note that the alternative accelerated schedule which includes a summer semester of practicum education will somewhat limit the first year of practicum placement choices.

Year one students in the 16-Month program will take SWO 421A/B Social Work Practice online. Students will be contacted via email by the SSW online program regarding registration. Students will receive schedule options for SWO 421A by the end of November.

\*\*Students must stay in the same section (day, time, and professor) of Practice (SWO 421 for Spring and Fall semesters, and SW 424 for Fall and Spring semesters)
