

MULTI-MODAL LONGWOOD

Longwood Collective Transportation Management Association

Longwood Collective's Transportation Management Association, Longwood Collective TMA, is a one-stop shop for commuting resources and information about active commuting modes. We work to make commuting to Longwood fun, safe, and accessible for the employees and students of our member institutions.

Commuting Alternative Programs

The TMA is dedicated to our commuters to opt for these active commuting modes by introducing commuting alternatives, and a best-in-class menu of active commuting incentives.

The TMA manages **eight programs**, which include: Emergency Ride Home (ERH), CommuteFit, LMA Shuttle, Personal Commuting Assistance, CommuteSwap, Carpool, Bike Longwood, and Zipcar

Programs

Emergency Ride Home

Employees walking, transit or biking receive **3 free** rides from LMA to home for illness/emergency (yourself/dependent).

NEMO Nemo Emergency Bike Repair

Register for NEMO on **GoLongwood** to access on-demand roadside bike repair. Your unique code is eligible to use **3 times** in case of a bike emergency.

CommuteFit

Log active commuting miles in GoLongwood platform, enter monthly raffles!

Transportation

LMA Shuttle

FREE shuttles connect the district to the greater Boston area for students/employees (except M2). Schedules online/available on our app.

Longwood Trip Planner

Check out Longwood's Trip Planner tool to plan your commute.

MULTI-MODAL LONGWOOD

Drive-Alone Alternatives

Carpool

Curious if carpooling is an option? We'll pay you to try it out! Simply share the ride, log 8 carpool trips, and claim your \$70 gas card!

CommuteSwap

Try out transit by claiming your reward and receive a 3-month link pass or (1) 10 ride pass on us!

Car Sharing

Discounted Zipcar

Scan QR code, link/register personal account & access discounted rates.

Longwood on Two Wheels

Free Bike Tune Ups

15-min. slots with NEMO bike technicians!

Bike/Scooter Subscription

Ridepanda offers a wide selection of pedal bikes, e-bikes, and e-scooters from top brands that can be rented on a subscription basis. What's more, if you already commute to the LMA on two wheels, you can use Ridepanda to test out a new bike or scooter without committing to the cost of purchase.
